Client: **Matt P** Pet: **Max (Dog)** Session Date: **1-13-19**

Practitioner: **HB**

Setting: **Remote** Permission: **Granted by owner**

Matt P (owner) Soul Resonance Frequency prior to session: **12,461 Hz**

After session: **14,537 Hz**

Situation/condition: Dog- Max w Seizures

-How accurate is it to say that the Pet did has above condition? **100%**
-Does the pet: want to exit this life via this dis-ease state? **No** : want to continue to enjoy this life? **Yes**
: give permission for this connection & assistance in clearing energies related to this condition? **Yes**

-What % of this condition is Physical? 0% Energetic? 100%

-As is seen now, how likely is it the condition will resolve < SRT? **0%**

-Is there a program that is at the root of this situation? **Yes**

-Does the program belong to the pet, the owner or both? **Both**

-Is the pet trying to help process discordant energies for someone? **Yes** Who? **Self and Owner**

-What type of program? **Imprint**

-Is this program beneficial for the client or the pet? **100% not**

-When was the root of the program established? **Past Life**

-Cast of characters in this past life: **Matt, Max(pet) and a Female friend.** What was the pet: **Female Dog**

-What was the Clients Role /relationship to the others in this Incident? **Male Friend of the dog's owner**

-Who did the pet belong to in this Incident? **Female Friend**

-Was there hurt or harm? **Yes** - Who was harmed: **The dog** -Actual Harm or Perceived? **Perceived.**

Something was said by the female friend during an altercation between the 2 humans, there was a weapon involved but it was not fired, the dog ended up getting injured/hit (not severely) trying to protect the male friend. Something was said by the female friend that both the dog and male friend **Imprinted** into their sub conscious minds. Whatever was said implicated that such an injury could result in brain damage. There was not actual brain damage to the dog. Neither of the humans were physically harmed. This happened when the dog was 2.5 years old. It ended up having seizures and passed when it was 3.5 yrs old.
