With the client's permission, please do so. [Done.](#)

Is it useful/necessary for the client to apply Repatterning statements? [Useful but not totally necessary](#)

Here they are (Repatterning statements) if you feel compelled to say them. Especially if you feel the fear arising. Adjust the statements as you feel inclined:

[I release all belief, perception, and judgment that ...](#) I have a terrifying fear of being trapped – or a panic disorder

[I release all need and desire to believe...](#) I have a terrifying fear of being trapped – or a panic disorder

[I now completely accept and believe and instruct my subconscious mind to accept and believe on all levels of my being that](#) I can travel in an airplane for any length of time with ease and grace and have fun!
